

Cable and Wireless Isle of Man Ltd

Notice of Modification to Licence Condition

The Commission gives notice, in accordance with s.10 (3) of the Telecommunications Act 1984, of a change to a Condition in the licence granted to you under s. 5 of that Act.

The Commission would like to modify Condition 9, the Metering and Billing Condition, as follows:

In Condition 9.9.2 "Approval Body" is defined as follows:

"**Approval Body**" means the British Approval Board for Telecommunications (BABT), National Quality Assurance Ltd (NQA) or the British Standards Institution (BSI)'

The Commission intends to alter the licence condition to read:

"**Approval Body**" means a body appointed by Ofcom, the UK Regulator, to operate the Ofcom Metering and Billing Scheme.'

The Commission is aware that NQA no longer operate as an Approval Body. Ofcom has appointed the following 3 bodies to operate the Metering and Billing Scheme: BABT, BSI and Enigma QPM Ltd. Defining Approval Body in line with Ofcom approval will ensure that the licences are up to date in this respect should Ofcom change Approval Bodies in the future.

This notice will be published on the Commission website (www.iomcc.im), and, as required under s.10(5) a copy sent to the Chief Secretary.

Any representations or objections to this change should be made to the Commission by 11 March 2013 for the Commission's consideration.
